

LED

Concealed light

Technical Specification

Make	AlpsGlo
Models	Various (Camo's series)
Power	7W, 9W
Light source	LED's
Input Voltage	80V – 300V, 50 Hz
Surge Protection	Upto 3 kV
Power factor	> 0.95
THD	20%
Operating Humidity	5% to 95% Non Condensing
Luminous efficiency	> 100 lm/W (as per LM-80 report)
Colour Temperature	3000K/ 4000K/ 6500K
CRI	> 80
Ambient temperature	-10 degree to 40 degree C
Ingress protection	IP 20 (not suitable for outdoors)
Body material (housing)	PVC with Aluminum insert
Diffuser	Polycarbonate
Driver	Generic open type (integrated)
Fixation	Spring clip (Ceiling mount)
Warranty	02 years

* *Extended warranty periods may attract higher charges.*

** *Repair/modification facility available (any brand).*
